

## State Games Teams

Macedon has had an incredible representation at the State Games Teams Championships. This also means Macedon has dominated at the Central Zone Championships, which is the State qualifying competition. Many years during the 200 decade, 3 teams were entered at the zone competition. These achievements give Macedon an enviable reputation among its peers in the Central Zone and for that matter, the State.

In the following team, lists \* denotes the team captain.

### 2007
